

# The State of Education: San Antonio 2025

## ANALYZING SAN ANTONIO'S 3RD-8TH GRADE STAAR OUTCOMES

San Antonio's students are making small steps forward in reading and math, but outcomes remain far below where they need to be for every child to thrive.

### DATA SNAPSHOT

	READING	MATH
Citywide	48%	33%
Urban Core	38%	24%
State Average	54%	43%

Fewer than half  
of students are  
reading on grade level

1 in 3 students are  
meeting standards  
in math

### TRENDS YEAR-OVER-YEAR (2024 → 2025)

#### CITYWIDE

← READING →

← MATH →

#### URBAN CORE

### MOMENTUM IN MOTION

#### IMPROVEMENTS OF 5%+ IN BOTH MATH & READING
